

Quality Policy of A.G. Teachers College

A.G.Teachers College is one of the iconic institutes in the field of teacher education. College aims at being a leading centre of excellence in pre-service, in-service and distance teachers training. A.G.Teachers College maintains a leadership role in generation, application and dissemination of knowledge at pre-service and in-service teachers training.

A G Teachers College functions with unique 'ethos' and has developed its design for day to day functioning which makes the institute distinct despite the fact that it shares a similar curricular framework.

AG is committed towards equitable access ensuring that prospective teachers are able to fully participate in qualitative educational experience and take full advantage of educational opportunity.
